Download all the important documents and information on the TROX AIR PURIFIER in PDF format.

TÜV-CERTIFIED SAFETY

The electrical safety of the TROX AIR PURIFIER was tested by TÜV Rheinland in accordance with the following standards.

- IEC 60335-2-65:2002
- COR1:2004
- AMD1:2008
- AMD2:2015 in conjunction with IEC 60335-1:2010
- COR2:2011
- AMD1:2013
- COR1:2014
- AMD2:2016
- COR1:2016

CERTIFIED CLEANING EFFICIENCY

The measurements conducted by the Institute CAT Clean Air Technology GmbH show a clear cleaning efficiency of the TROX AIR PURIFIER thanks to the rapid reduction of aerosol concentrations as a result of the separation from the particulate filter.

CERTIFIED HYGIENIC CONFORMITY

The TROX AIR PURIFIER meets the hygienic requirements of ventilation and air conditioning systems and devices in accordance with the following guidelines.

- EN 16798-3:2017-02
- VDI 3803 Sheet 1:2010-02
- VDI 6022 Sheet 1:2018-01
- ÖNORM H 6020:2019 06
- ÖNORM H 6021:2016 08
- SWKI VA104-01

CERTIFIED FILTERS

The H13-HEPA filter and the prefilter in the TROX AIR PURIFIER are certified in accordance with all the usual standards and guidelines.
